

# Alton & Associates

Stop Narcotic Tampering Through Awareness & Prevention

November '09 Session hosted at  
Huntington Memorial Hospital  
100 W. California Boulevard  
Pasadena, CA 91109

2 sessions to be offered  
9 AM & 1PM, Monday  
November 16, 2009

Class Location  
East Room

## Chemical Dependency in Emergency Medical Services

*Nancy Mraz, CEAP, EAP Director, United Firefighters of L.A. City, Local 112*, will present an enlightening program on Addiction and Chemical Dependency and how it relates to those that serve in Fire and EMS.

*Aimin Alton, B.A., MICP, Firefighter*, will present on Narcotic Tampering in EMS by discussing case studies and providing a hands-on section that shows Paramedics how to identify tampered-with narcotics.

Target Audience: Fire Department and Ambulance Company EMS Management, EMS Supervisors, State and County EMS Administrators, EMS Commission Members, Pharmacy Directors, Medical Directors, PCC's, MICN's, and Field Paramedics.
